

**...BEYOND THE BORDERS...**  
1<sup>ST</sup> ESDE/IGCA EU CHAPTER  
JOINT CONGRESS

Milan, May 25<sup>th</sup>, 2020

Dear friends,

due to the unpredictable evolution of the COVID-19 pandemic restrictions on feasibility of scientific events and on travel chances among countries, we have decided to postpone the 1<sup>st</sup> ESDE/IGCA EU CHAPTER joint congress to April 22<sup>nd</sup>-24<sup>th</sup>, 2021.

We will do our best, in accordance with the health authorities recommendations, to guarantee the safety and well being of all the participants, the congress delegates, the industrial exhibitors, the secretarial and technical staff, and the congress guests.

We will have some more months to refine the program to bring up “beyond the borders” even more attractive debates.

We hope that this meeting could represent the restart for our scientific activity.
